```
-- Hey TAs. These queries are blank.  
-- I did this at the last minute unfortunately.
```

```
-- Running Linux and used MySQL Workbench to generate a Chen diagram.  
-- Exported this diagram to an SQL script.
```

```
-- I am running MySQL 14.14 Distrib 5.7.27 and the generated SQL scripts are not  
compatible.  
-- I don't have enough time to re-do these CREATE TABLE statements, so there are  
no queries. Sorry about that.
